RE: South Dayton Dump and Landfill Site in Moraine, Ohio
Site Spill Identification Number: B52B

Dear Ms. Ropski:

This law office represents Franklin Iron & Metal Corp. ("FIM") and we received the September 10, 2012 notice letter identifying FIM as a PRP. Please consider this the FIM response as requested in the notice letter.

FIM is a purchaser and recycler of scrap material in Dayton, Ohio. FIM does not haul trash. FIM has searched its records and made diligent efforts to locate any record of generating or transporting hazardous substances, or any other material, that were disposed of at the site. FIM has found nothing and has no record of requesting or receiving a permit to enter the site.

Please provide any and all information received by the EPA, as referenced in the notice letter, indicating FIM is a PRP.

Sincerely,

A handwritten signature in black ink, appearing to read 'Robert J. Thumann', with a large, stylized flourish extending from the end of the signature.

Robert J. Thumann
